Privacy Policy

FOOD MACHINERY AUSTRALASIA

Information Collected

On this website, you can acquire extra information about *Food Machinery Australasia* products and services by completing a contact us form from various areas on the website. The types of personal identifiable information may be collected at these pages from company, first and last name, e-mail address, company address, telephone number, fax number and information supplied about the initial inquiry in regards to the interest in and use of various machinery, solutions or services.

We also may collect certain personal information that is non identifiable when a contact form is submitted from the ISP domain name and IP address, type of web browser and operating system in use. We do this so that the information system can distinguish between a genuine user contacting our organization or spam.

How the information is used

We may use the information collected from the system that you provide to respond to inquiries about products, programs, and services. We might also use this information retrieved to offer you other products, programs, or services that we believe could also be of interest to perform the services of *Food Machinery Australasia*.

Sometimes if we have to communicate with you the information collected would be used, for example to notify you about new or different products or services that may be of interest.

We sometimes use the non identifiable information collected to improve

the design and content of the website in order to provide you with a better internet experience. We may also use this information to analyze site usage. Or to gain statistics on locations on a global basis on who is accessing the website.

Only the management and webmaster have access to the personal identifiable information and are required to protect the information collected from the system in a manner that is consistent with this Privacy Policy, by for example, not using the information for any purpose than specified.

Although we take the appropriate measures to safeguard unauthorized disclosures of information, we cannot guarantee that the personal identifiable information that is collected within the system will never be disclosed in a manner that is inconsistent with this privacy policy.

Food Machinery Australasia will never disclose any personal information to companies whose practices are not covered within this privacy policy. For example telephone marketers, magazine publishers, retailers. Whose sole purpose is to market products or services to you.

We may on occasion combine information retrieved from the system with print information from our outside records to enhance our ability to market products or services of interest through the use of non bias data mining.

Finally, all pages from the Food Machinery Australasia Website are covered by this Privacy Policy will not use or transfer any personal information provided to use in the ways unrelated to the ones described above without consent from the user. We have created a system to remove your personal information from the system.
